**GREENWAY LINK FROM WATERSIDE TO FELTRIM ROAD - AI054474**

**Advisory: D. Healy**

“That this Committee wishes to advise the Chief Executive that the provision of the greenway link from Waterside to Feltrim Road be included in the Capital Programme so that

- a) When compliance submissions are made under Condition 2 of planning permission F18A/0601 they can be assessed against an overall design for the link and
- b) The section of the greenway on land outside Department of Education ownership can be provided by the Council before or at the same time as the section in Department of Education ownership,
- c) The timing in the Capital Programme be with a view to delivering the greenway link before the new school as it will also serve journeys to other schools and to important local amenities.”

**Report:**

The proposed link does not form part of the various planned greenway schemes currently included within the current Capital Works Programme 2020-2022. The project can be considered as part of a future Capital Works Programme.
