ITEM NO. 12

TRAFFIC CALMING MEASURES AT CLONSILLA ROAD. AI055917

Motion: Councillor H. Mahony

“That the Chief Executive install traffic calming measures as a matter of urgency on the Clonsilla Road between the junction at Main Street Blanchardstown and the junction at Coolmine Road as there are regular incidents of speeding and dangerous driving.”

Report:

The 2020 Programme of Works, provided for the installation of two speed readers on Clonsilla Road which were erected in November 2020.

The Council will monitor the effectiveness of these newly installed traffic calming measures over the coming months in order to establish if additional traffic calming measures are deemed necessary along this road.
